Total Miles:

Document your ride in its entirety from beginning to end. This journal will serve as your primary record-keeping tool throughout your journey. Make sure to collect as many receipts as possible from each stop and log your miles at each stop. This includes receipts for fuel, food, stores, merchandise, and any other expenses. This detailed record will provide a comprehensive overview of your adventure. Once your ride is fully documented, upload this document and all your pictures and receipts through our on-line portal. Alternatively, you can send them via email to support@odysseywarriors.com for processing.
