 2012 Triumph Rocket III Roadster

The weekend, beginning Friday morning, started to be a simple journey to visit a good friends promotion ceremony to Chief Warrant Officer III in the US Army National Guard on Saturday afternoon. It turns out, I decided to start my list of 20 foreign-named cities or towns while attempting the Easy Rider Long Distant ride. I was able to record 5 out of the 20 in one ride. Sunday, my second cousin and I would finish the weekend riding the Three Twisted Sisters in Texas Hill Country.

I am a retired Officer from the US Army National Guard that loves to ride. I finally have the time to do more. You will be hearing more from me.

I was able to make the 500 miles within 12 hours but cut it close and didn't get to the station for the final receipt and was unable to record the end milage 514 miles until 12 hours 12 minutes into the ride. I understand if that is an issue and will just have to try again giving myself more time. I spent too much time talking to my 72-year-old second cousin from Old Glory, Tx at the Crackle Barrel. His son was a retired Air Force pilot that took his own life, and I didn't want to rush the conversation. Please review the information below. I hope the data will be accepted and I am able to certify as an Easy Rider Long Distant Ride member and wear the patch with pride.
